

CLEAN S.W.E.E.P. PROGRAM INFORMATION

This Saturday, JANUARY 13, 2007 kicks-off the beginning of the S.W.E.E.P. Program in the neighborhoods **South of Gandy between Dale Mabry, the bay and MacDill Air force Base.** Please share this important and helpful information with your neighbors.

Below is information from the Department of Solid Waste, www.tampagov.net/dept_Solid_Waste
In November 2005, The City of Tampa Department of Solid Waste assumed the weekend neighborhood cleanup services, formerly under the N.E.A.T. program, and will **continue bulk trash items and debris removal** through the S.W.E.E.P. for Cleaner Neighborhoods initiative.

Rules & Instructions:

Items may be placed curbside **8-days prior** to a cleanup, but **NO LATER than 7:30 a.m.** the morning of a cleanup. Please feel free to assist with the loading of your materials.

Materials accepted for collection during S.W.E.E.P. Cleanup: Appliances, furniture, televisions, mattress, tires without rims, carpet, yard waste, wood, dried latex paint, toilets, computer equipment, bicycles, toys and barbecue grills. Large appliances will be picked up during the following week, however they must be placed at curbside with all other materials.

Materials not accepted: Auto parts; building materials such as sheds, fences, tile, pipe, wood/plywood, brick, concrete blocks, roofing materials, doors, windows or drywall; hazardous, toxic, or combustible materials, such as lead, mercury, asbestos, PCB's, chlorine, radioactive material, herbicides, pesticides, explosives, ammunition, or pressurized gas cylinders, liquid wastes including paints, solvents, or fuels; tires with rims, sludge, motor oil, metal drums, household garbage and tree trunks over 5' long or over 100 lbs.
